

IUPUI

Challenger Scholarship Program

In memory of the Challenger Astronauts

2009

Purpose:

To encourage undergraduate students to pursue teaching careers in science, social science, or engineering at any level of education, from the primary to the post-secondary level.

Eligibility:

The candidates must have a GPA of 3.5 or higher, be entering the junior or senior year at the beginning of the award period, and be enrolled full-time (12 or more credit hours per semester) at IUPUI during the award period.

Awards:

A full award recipient may receive a tuition scholarship. A mentorship with an IUPUI faculty member and other special opportunities depending on the student's own interest and needs may also be available. The award is for one academic year, fall and spring semester.

Reapplication required for renewal.

A junior year award recipient may apply for a senior year award.

Complete application and mail to:

LaVerne Johnson, Administrative Sec.
School of Education
902 West New York Street
Indianapolis, Indiana 46202-5155
Monday, April 6, 2009

Application Deadline:

Name _____

Date. _____

Address _____

Soc. Sec. # _____

Phone # _____

High School _____

e-mail _____

Date _____

Current GPA _____

Major _____

Extra-curricular activities/honors (high school, post-high school, community, etc.):

Work Experiences:

Please attach a 2 to 4 page essay presenting autobiographical information about your plans and desires to become an educator. If you have already received a Challenger Scholarship, also indicate the impact that the Scholarship made on your education goals.
