This program is for individuals with a master's degree, a valid Indiana classroom teaching license, and a minimum of two years of classroom teaching experience in a state accredited school. To be admitted to this program, students must have a 2.75 undergraduate and a 3.0 graduate grade point average (GPA) and must submit a goal statement and two letters of recommendation; however, admission is competitive.

Individuals completing the program of study after January 1, 2003 are required to achieve a qualifying score on the ETS School Leaders Licensure Assessment (www.ets.org/sls).

Licensure requires the completion of 24 credit hours, at least 18 of which are taken on the IU Bloomington or Indianapolis campus. Students must achieve a GPA of at least 3.0 in all course work taken at Indiana University toward licensure. Since this licensure-only program does not involve the awarding of a degree, regulations governing course recency do not apply.

Individuals completing administrative programs in the future may be required by the Indiana Professional Standards Board to complete an induction program during their first two years serving as an administrator (<http://www.ai.org/psb/> or 1.866.542.3672).

Questions regarding licensure may be directed to:
