

COTE Vote – March 18, 2013

The IUPUI COTE committee reviewed the IUPUC 120-credit hour elementary program and the concentrations with proposed changes resulting from a review by the IUPUC Academic Affairs committee. The original 120-hour elementary program and concentrations were approved last fall by COTE. The committee was sent a narrative outlining the changes along with the OLD and new versions of the 120-hour program and the OLD and new versions of the Areas of Concentrations. They were asked to read the documents and facilitate any discussions via e-mail by responding to “ALL.” They were then asked to vote electronically on whether to approve the new changes for each of the programs. Nine members of the committee voted by the deadline and all voted in favor of accepting the proposed changes for both the elementary and concentrations. Both programs will be sent to Policy Council for consideration.
