RE: Annual report

DATE: April 27, 2016

The Long Range Planning Committee (LRPC) of the School of Education for 2013-14 included the following individuals: Victor Borden (Chair), Stephanie Carter-Power, Yonjoo Cho, A'ame Kone, Gary Pike, Pat Rogan, Joel Wong, Linda Hanek (Staff), and Terry Mason (ex-officio)

The Committee met once this year, Oct. 16, 2015, to review the School of Education faculty constitution and by-laws, per request of the Policy Council. The Committee also considered at this meeting the status of current planning efforts given the ongoing review by the Blue Ribbon Review Committee

The Committee provided feedback on the constitution, which was incorporated into changes now being voted on by School faculty.

Regarding planning efforts, the committee offered to coordinate the faculty response to the BRRC report. However, the BRRC report was never provided to the School and so this activity was not required.

When the Dean's search was suspended and the faculty members of the search committee re-charged to review the Core Campus status, the LRPC discontinued its activities for the year, awaiting the results of the Core Campus Review Committee's efforts. The LRPC will reconvene to consider its path going forward once the status of the School as a whole, or two wholes, is determined.
