Based on your experiences in the teacher education program at IUPUI, what features of the program do you recommend that we strengthen? ⓘ

I definitely think making it more clear what teaching is actually like. I wish we were in the classroom sooner and more often than we were at IUPUI. Also, I wish I was taught more about parent contact, positive and negative consequences, the different acronyms in education, and a lot of other things that colleagues assume I learned in college and I did not. ⋮

As a follow-up to this survey we would like to contact a random sample of our graduates via phone during the summer to gain further insight into your responses. If you are willing to be contacted, please provide your name, contact number and the best time to call. This is optional. Thank you in advance for being willing to help us with this important project. ⓘ
