REPA licensing regulations require that all elementary majors have a concentration, an institutional minor or a dual license. Your options are listed below.

CONCENTRATION AREAS

Students electing to do a concentration area take 12 credit hours in a subject area in which they would like to develop additional expertise. Completion of the concentration area **will not** extend or add an area to the student's teaching license. Although concentration areas will not be identified on student's transcripts, students will be issued a certificate of completion for the concentration to share with future employers. Please note: classes in the concentration area can also be used to meet prerequisite requirements when indicated. Students must have a total of 128 credit hours to graduate.

Concentrations are available in the following areas:

Language Arts (12 credits)

Writing Course: Choose 1 course from the following: (3 credits)

EngW206 Intro to Creative Writing_____, EngW207 Intro to Fiction Writing_____, EngW208 Intro to Poetry Writing_____

Literature Course: Choose 1 course from the following: (3 credits)

EngL372 Contemporary American Fiction_____, EngL379 Ethnic Minority Literature of the United States_____

Language and Style: Choose 1 course from the following:(3 credits)

EngG(Z)204 Rhetorical Issues in Grammar_____, Eng G(Z)205 Intro to the English Language_____,

Reading Skills:

EDUC X470/L502 Socio-psycholinguistics of Reading (3 credits)

Please note: The writing course will serve as the second composition requirement (Eng W132/Educ E201) and the literature courses in this concentration will serve as your literature elective in the prerequisite requirements.

Social Studies (12 credits)

Political Science: Choose 1 course from the following: (3credits)

PolsY 308 Urban Politics_____,PolsY324 Women and Politics_____,PolsY325 African American Politics_____,PolsY200 Contemporary Political Issues _____,PolsY377 Globalization_____,

Sociology: Choose 1course from the following:_(3 credits)

SocR314 Families and Societies_____, SocR321 Women and Health_____,SocR328 Urban Sociology_____, SocR 463 Inequality and Society_____

Geography: (3credits) GeogG110 Introduction to Human Geography _____

Economics: (3 credits) EconE101 Current Economic Issues and Problems _____

Please note: The American Studies course will serve as the American History requirement and one of the other courses in this concentration will serve as your social studies elective in the prerequisite requirements.

DUAL LICENSE AREAS

Students electing to do a dual license area take 15 to 18 credits in an area that will give them additional expertise and **will add an additional teaching area to their K-6 license**. Dual license areas are not identified on student's transcripts. Please note: classes in the dual license area can also be used to meet prerequisite requirements when indicated. Students must have a total of 128 credit hours to graduate. Dual licenses are available in the following areas:

English as a Second Language (15 credits)

2 college level semesters of a foreign language or the equivalent are prerequisites to the following classes:

Eng G432 Second Language Acquisition 3 credits **OR**

Educ K453 Classroom Management and Behavior Support 3 credits

Educ K465 Collaboration and Consultation 3 credits

Educ K420 Technology Applications 3 credits

Educ K441 Transition Across the Lifespan 3 credits

Educ M 470 Student Teaching in Special Education no additional credits

Reading (15 credits)

Educ E449 Trade Books in the Classroom 3 credits

Educ L400 Instructional Issues in Language Education 3 credits

Educ L 441 Bilingual Education Introduction 3 credits

Educ X470 Socio-psycholinguistics of Reading 3 credits

3 credits reading elective from the following: Educ F401, Educ L436, Educ X401, Educ X400

Educ M 470 Student Teaching in Reading no additional credits

INSTITUTIONAL MINORS

Institutional minors are issued by the school that offers the minor. They range in length from 15 to 21 credits. Completion of the institutional minor will give students additional expertise in the chosen subject but **will not** extend or add an area to the student's teaching license. Institutional minors **will be** shown on the student's transcripts. Minors are available in the following areas:

Herron School of Art

Art Minor (15 hours)

Liberal Arts Minors:

Economics 15 hours

French 14 credit hours in courses above the 100 level.

Geography (15 hours)

German 14 credit hours in courses above the 100 level.

History (15 hours)

Political Science (15 hours) Psychology (15 hours)

Sociology (15 hours)

Spanish 15 credit hours in courses above the 100 level

Math and Science Minors

Biology requires 19 credit hours of course work.

Mathematics 21 credit hours of course work starting at Math 165, Analytic Geometry and Calculus I

Geology requires 18 credit hours of courses.

Physics requires 18 credit hours of courses and 14 credits of math prerequisites.

A complete list of course requirements for each institutional minor are available online at the appropriate School's website. If you elect to do an institutional minor, you will need check with an advisor from the appropriate department regarding current course, grade and application requirements.
