

**ARTICULATION AGREEMENT**

Between  
Indiana University-Purdue University Columbus  
and  
Ivy Tech Community College Statewide

For Transfer of Ivy Tech Community College's Associate of Science in Early Childhood Education  
to  
Bachelor of Science in Elementary Education

**Statement of Purpose**

The purpose of this articulation is to provide a basis for a cooperative relationship between Indiana University-Purdue University Columbus (IUPUC) and Ivy Tech Community College (ITCC) to benefit students who desire to complete a bachelor's degree. The intent is for ITCC students completing the AS degree plan to move seamlessly to the BS degree plan.

**Transfer Agreement**

Graduates from December, 2011 onward of Ivy Tech Community College with an Associate of Science in Early Childhood Education from any Ivy Tech campus may transfer and apply 67-69 credits from that completed degree to requirements for IUPUC Bachelor of Science in Elementary Education.

*Addendum One: Curriculum* details the course requirements for this transfer agreement, including remaining courses required to fulfill the baccalaureate degree requirements.

*Addendum Two: Sample Semester Sequence* details a sample semester sequencing of remaining courses.

Additionally, under the terms of this agreement:

1. A course grade of "C" or better must be earned to be accepted for transfer.
2. As ITCC graduates complete the 129-131 credit hour requirement (62 at IUPUC) for the award of the BS degree in Elementary Education, they must meet the graduation requirements as approved by IUPUC at the time of the student's admission to the IUPUC program.

3. This agreement, including any modifications, may be called for review by either institution and revised to meet future program guidelines with 90 days advance notice of such changes becoming effective statewide.
  
4. Both institutions agree to notify each other of curriculum changes that impact this agreement.
  
5. A review of this agreement and the resulting programs will take place every four years by the representatives from both institutions.
