Guidelines for Department Chair Selection

All tenured faculty, tenure probationary faculty, clinical faculty, half-time faculty, and visiting instructors can participate in the chair selection of the department.

IST tenured faculty (not retired or retiring): Bichelmeyer, Bonk, Boling, Brush, Frick, Glazewski, Reigeluth

Faculty (not retired or retiring) Previously Serving as Chair: Boling, Frick, Reigeluth

Nomination Process

- The departmental faculty will have open meetings to discuss possible candidates and procedures. Meetings can occur via e-mail, phone, in-person, or a combination thereof.
- The department will nominate a minimum of three candidates (**SEE CANDIDACY**) and proceed with a vote (**SEE VOTING PROCEDURES**).

Candidacy

- Each candidate must be tenured in order to be eligible for the IST Chair position.
- Each candidate can write an optional paragraph detailing his/her strengths as a future leader of the department. This information will be disseminated to voting participants.
- Each candidate can NOT decline nomination.

Voting Procedure

- The department will designate a day and a time for all participants to cast their votes.
- Faculty members will vote by secret ballot. A drop box will be placed in a monitored location.
- Voting members will cast their votes by indicating their choice for chair along with a short explanation of the rationale for their vote.

Guidelines for Department Chair Selection

- All participants in the voting process will be asked to place their initials on a roster as they cast their votes. However, participants who are unable to vote in person may vote via e-mail, proxy, or phone.
- Votes will be counted during a department meeting. Each of the top three candidates will be ranked in terms of the number of votes that he or she received.
- The Dean and voting participants will be sent vote totals and summaries of reasons for supporting candidates.
