About This Program

The IU School of Education at IUPUI is a leader in the preparation of urban teachers. The Secondary Teacher Education Program prepares content area teachers to teach at the middle and high school levels. The program consists of a core selection of general education courses designed to give students a broad based academic foundation, a strong content area major, and a four-semester sequence of professional education courses. During students' first two years of college they complete 59 credits of general education and major courses. This gives them some content area expertise when they begin learning the art of teaching during their last two years of college when they enter the Secondary Teacher Education Program. This program consists of blocked and field-based courses, ending in a full semester of student teaching. Students should plan to enter this professional level program at the beginning of their junior year.

Courses taken in the first two semesters of the Secondary Teacher Education Program are blocked to facilitate team teaching, field experiences, and the integration of content from multiple disciplines. Courses in the program are also sequenced and must be taken in order. Students are authorized for all courses and take only one block a semester. All blocks require students to spend time in schools and interact with cohort members in the field, online, and in class. Courses are offered during the day and only in the Fall and Spring semesters. Student teaching occurs at both the middle school and the high school levels during Block IV. Student teaching requires 5 days a week for 16 weeks. Because of our strong commitment to urban education, all field and student teaching experiences are in urban settings.

Overall Program Requirements

- A C or higher grade is required in all courses in this program. Courses with a C- or lower will not count toward the requirement.
- A GPA of 2.5 in the Secondary Teacher Education Program, overall and in the major is required.
- A minimum of 124 college credits must be completed.

Secondary Teacher Education Admission Requirements

Admission to Teacher Education Program is competitive because of the high number of applicants. Students must meet the minimum requirements to be considered for admission, but meeting these requirements does not guarantee admission. To be eligible for admission to the program, a student must:

- Have a minimum overall GPA of 2.50 at the time of application
- Have a minimum GPA of 2.50 in your major at the time of application
- Attain a C (2.0) or higher in all courses.
- Successfully complete: COMM R110, EDUC H341, EDUC W200, EDUC F200, ENG W131, and EDUC E201 or ENG W132.
- Complete a minimum of 59 credits in the General Education and Content Major prior to beginning the TEP.
- TEP applicants should have no more than 6 to 9 classes outside of the blocks left to take when they enter the TEP. This would include dual license courses.
- Complete all parts of the application & meet deadlines of September 7 for spring admission & February 7 for fall. Application is available online at <http://education.iupui.edu/soe/forms/applications.aspx>
- Demonstrate basic skills with **one of the following:**
 - ACT with a score of at least 24 based on math, reading, grammar, and science
 - SAT with a score of at least 1100 based on critical reading and math
 - GRE with a score of at least 1100 based on verbal and quantitative
 - Praxis I composite score of 527 based on reading, writing, and math. **OR**
 - Pass Praxis I reading, math and writing
 - Anyone with a Master's Degree from a regionally accredited institution is exempt.

***NOTE: Beginning with students entering Block I in the spring of 2011 (who will student teach in the fall of 2012), all students must demonstrate content area proficiency required by the state for licensure by earning passing scores on the appropriate PRAXIS II tests. Students should schedule this test well in advance so scores will be reported to the SOE at least a month before student teaching begins. No students will be allowed to student teach until passing scores are earned and reported.**
