

IUB Teacher Education Minimum Grade Clarification

Proposed policy: A grade of C or higher is required for all courses used to fulfill Areas of Concentration and License Additions in Teacher Education programs.

Passed by IUB Committee on Teacher Education on March 20, 2016

Background: A minimum grade of C is required for all “Professional Education” courses. In 2014, Policy approved a minimum grade of C- for “content/subject areas courses” in order to be consistent with COAS policies. This left two areas of ambiguity: Courses required for Areas of Concentration and License additions, which are neither “Professional Education” nor “content/subject area courses.” This policy would affirm existing practice, which is to require a minimum grade of C in these courses
