E-mail as Official IU Communication

The university reserves the right to send official communications to students by e-mail with the full expectation students will receive and read these messages in a timely fashion. Official university e-mail accounts are available for all registered students. Official university communications will be sent to students' official university e-mail addresses.

You are expected to check your e-mail frequently and consistently to stay current with university-related communications. In addition to monitoring your university e-mail account, you may want to check the Graduate Enrollment Management System (GEMS). The same user ID and passphrase is used for GEMS and the university e-mail system.
